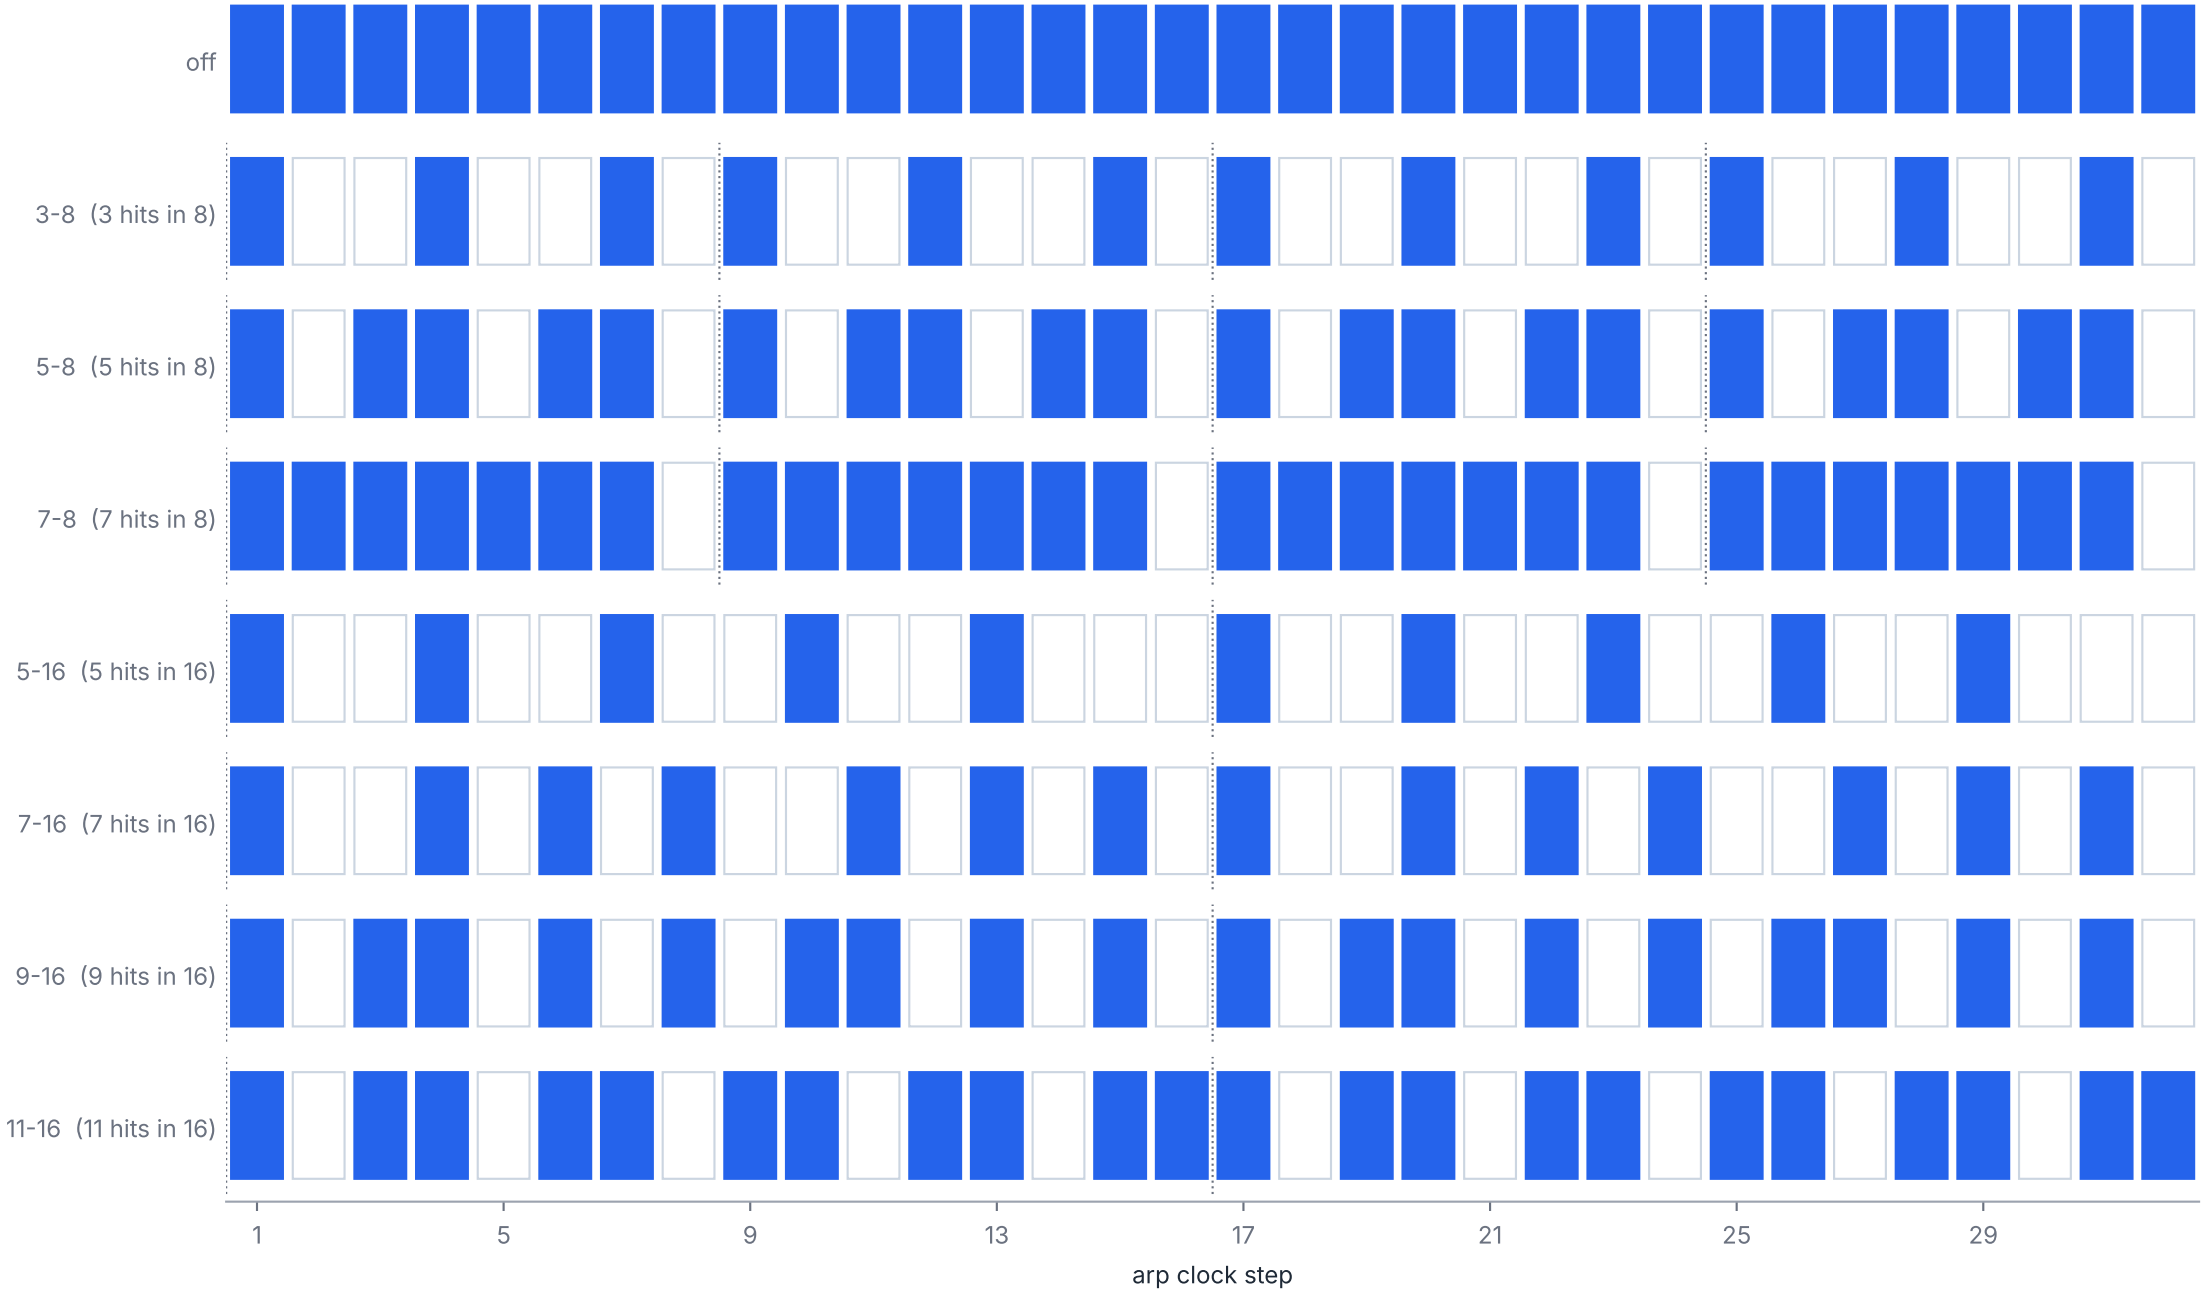
P600 Matrix edition V2.5 - arpeggiator Euclidean rhythms


"to tape" + 0, 2nd press ("euclid"), data knob picks the rhythm (MIDI CC78). Filled = the arp plays a note, empty = rest (a rest does not advance the note sequence).
32 arp clock steps shown (16th notes); the rhythm repeats every 8 or 16 steps. Probability, swing, resolution and ratchets apply on top.
